Comhairle Contae Chorcaí

Cork County Council

Cork County Council
2020 Scheme of Polling Districts and Polling Places
in accordance with
Electoral Act 1992 and Electoral (Polling Schemes) Regulations 2005

Introduction

It is required by Section 28 of the Electoral Act 1992 that each County Council shall at least once in every ten years make a scheme dividing the County into Polling Districts and appointing a polling place for each polling district. Such a Scheme is called a Polling Scheme. The Register of Electors is then produced in accordance with the districts defined within the Scheme. The making of the Scheme is a reserved function.

This scheme was made by Cork County Council by resolution on 22nd February 2021. It will come into effect from the 1st April 2021.
