

Comhairle Contae Chorcaí
Cork County Council

**TIER 1 Resource and Waste Management
Plan (RWMP) Form**

1. General Information

1.1) Name of Applicant: _____

1.2) Address of Applicant: _____

i) Telephone No: _____ Email: _____

1.3) Site Location of the Development: _____

1.4) Address of Development: _____

1.5) Contact Details of Person responsible for preparing the RWMP:

i) Name: _____

ii) Telephone No: _____ Email: _____

1.6) Contact Details of Contractor:

i) Name: _____

ii) Telephone No: _____ Email: _____

1.7 Describe the nature of the Development:

2. Project Description

2.1 Site Description including details of the existing site layout:

2.2 Details of any site clearance and/or demolition proposed:

2.3 Details of the construction elements in the planning application

2.4 Describe the designing out waste initiatives used, and waste prevention methods implemented for the project:

2.5 Identification of Construction Waste Generated:

Describe the type of waste including the List of Waste (LoW) codes for each stream and the predicted quantity of material generated in tonnes. Table 1.0 is required to be completed in Appendix 1.0. Only an authorised waste collector with a valid waste collection permit must be used in the transportation of waste off site - refer to www.nwcpc.ie for details. Records **(including daily docket sheets, copy of waste collection permit and waste authorisations)** of all waste removed from the site shall be maintained be made available to Cork County Council when requested.

2.6 Resource and Waste Inventory:

Describe the predicted quantities of material generated on site which is either waste or non-waste. Table 1.0 is required to be completed in Appendix 1.0

3. Declaration

I agree that all information supplied is accurate. Where there is a significant deviation in estimates or details provided in the Resource and Waste Management Plan, Cork County Council will be notified immediately.

Records **(including daily docket sheets, copy of waste collection permit and waste authorisations)** of all waste removed from the site shall be maintained at the site office and shall be made available to Cork County Council when requested.

Signed: _____
Applicant / Developer.

Date: ___ / ___ / ___

APPENDIX 1.0

Table 1.0: Details of Construction Waste Generated

Type of Waste <i>(Description)</i>	List of Waste Code (LoW)	Volume Generated (tonnes)	Volume of Prevention (tonnes) (non-waste)	Volume Reused (tonnes) (non-waste)	Volume Recycled (tonnes) (waste)	Volume Recovered (tonnes) (waste)	Volume Disposed (tonnes) (waste)
Soil and Stone							
Concrete, Bricks, Tiles and Ceramics							
Hazardous waste See footnote (i)							
Wood/green waste							
Plaster Board							
Glass							
Metals							
Plastics							
Other							

- i. Hazardous wastes may include but is not limited to, asbestos, electrical equipment, waste oils, contaminated soil, etc.
