RE: DECLARATION OF EXEMPTED DEVELOPMENT UNDER SECTION 5 OF THE PLANNING & DEVELOPMENT ACT 2000 - 2010.

Dear Madam,

On the basis of the information submitted by you on 27th July 2023 the Planning Authority, having considered the question whether or not the construction of a 26.7 sq. metre single storey rear extension at **Garrylaurence, Dungourney, Co. Cork** is or is not development and is or is not exempted development has declared that it **is development and is exempted development.**

Reason for Decision

The Planning Authority in considering this referral had particular regard to:

- Sections 2(1), 3(1) and 4(4) of the Planning and Development Act 2000 (as amended),
- Articles 3, 6, and 10 and Class 1, Schedule 2, Part 1 of the Planning and Development Regulations 2001 (as amended) and
- The particulars received by the Planning Authority on 27th July 2023

And Whereas Cork County Council has concluded that –

The construction of a 26.7 sq. meter single storey rear extension at **Garrylaurence, Dungourney, Co. Cork** constitutes **development which is exempted development.**

This exemption does NOT itself empower a person to carry out a development unless that person is legally entitled to do so.

Please note that under Section 5 Subsection 3(a) where a declaration is issued under this section, any person issued with a declaration under subsection 2(a) may, on payment to the Board of such fee as may be prescribed, refer a declaration for review by the Board within 4 weeks of the date of the issuing of the declaration.

Yours faithfully,

**KEVIN O' REGAN,
SENIOR EXECUTIVE OFFICER,
PLANNING DEPARTMENT.**

In order to process your query, it may be necessary for Cork County Council to collect Personal information from you. Such information will be processed in line with our privacy statement which is available to view at <https://www.corkcoco.ie/privacy-statement-cork-county-council>

Declaration on Exempted Development under Section 5 of the Planning and Development Act 2000

D267-23- Rear extension , Garrylaurence, Dungourney. Helen Neville

The Question

The applicant is querying whether the construction of a 26.7sqm single storey rear extension is/ is not exempted development for the purposes of the Act

Planning History

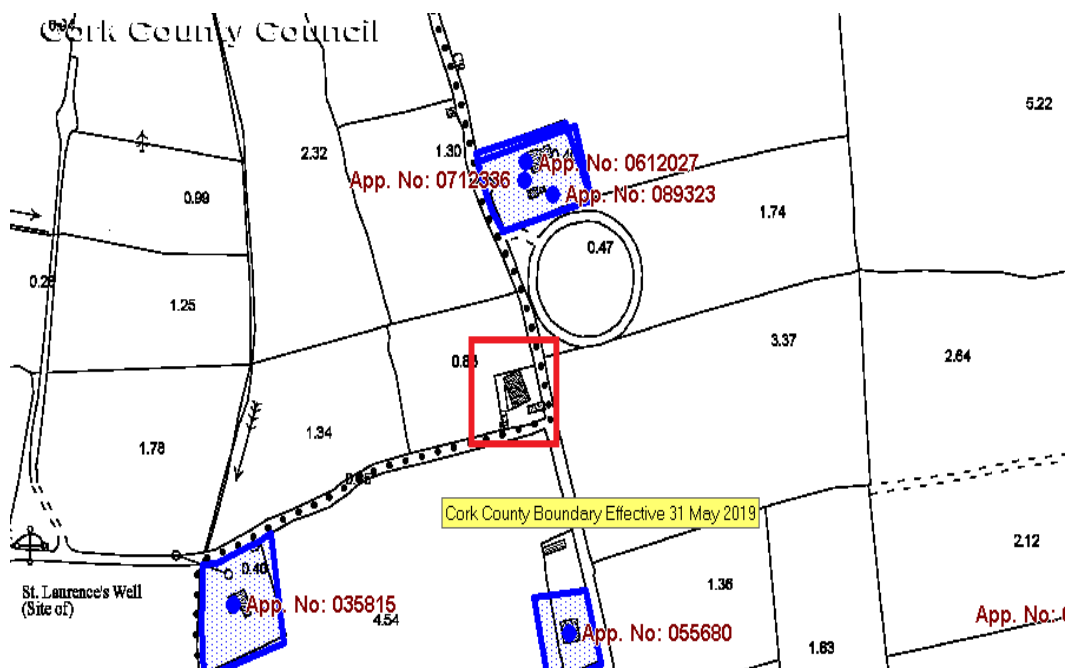

Image showing rear extension subject of this application

There is no planning history on the subject site.

Statutory Provisions

I consider the following statutory provisions relevant to this referral case:

Planning and Development Act, 2000

Section 3 (1) states:-

“In this Act, “development” means, except where the context otherwise requires, the carrying out of works on, in over or under land, or the making of any material change of use of any structures or other land.”

Works” includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal”.

Section 4 (2) of the Act provides that the Minister may, by regulations, provide for any class of development to be exempted development. The main regulations made under this provision are the Planning and Development Regulations, 2001.

Planning and Development Regulations, 2001

Article 6(1) of the Regulations states as follows:- *“(a) Subject to article 9, development consisting of a class specified in column 1 of Part 1 of Schedule 2 shall be exempted development for the purposes of the Act, provided that such development complies with the conditions and limitations specified in column 2 of the said Part 1 opposite the mention of that class in the said column 1*

Article 9 (1) of the Regulations sets out circumstances in which development to which Article 6 relates shall not be exempted development.

Assessment

Having regard to the questions posed, the proposal constitutes “development” as set out under S3 of the Planning and Development Act 2000 in that “works” have been carried out on the site. The question therefore is whether or not these “works” constitute “exempted development” for the purposes of the Act

Extension

In relation to the rear extension Class 1, Schedule 2, Part 1, (Exempted Development) Regulations 2001) allows the construction of up to 40sqm new build to be constructed to the rear of an existing

dwelling subject to certain caveats. The extension is single storey and measures approx. 26.7sqm. Having reviewed the drawings submitted, the proposal complies with the caveats listed under class 1 of the exemption class. While the rear garden hasn't been dimensioned, the rear curtilage to the dwelling is clearly well in excess of 25sqm. The roof of the extension does not exceed the roof height of the existing dwelling

Article 9 Restrictions

Restrictions on exemptions are listed under Article 9 of the Regulations. Having reviewed same against the subject development, none would apply

Article 9 Restrictions

Restrictions on exemptions are listed under Article 9 of the Regulations. Having reviewed same none would apply to the subject proposal

AA/ EIA

Section 4(4) of the Act essentially de-exempts any development which attracts a requirement for Environmental Impact Assessment (EIA) or Appropriate Assessment (AA).

In relation to EIA, part 2 of schedule 5 lists development which may require EIA for the purposes of part 10 of Part 10 of the Planning and Development Act.

Having considered that detail I am satisfied the proposal does not trigger any requirement for mandatory or sub-threshold EIA. Similarly, and having regard to the nature of the proposal and the distance to Natura 2000 site, I am satisfied that requirement for AA is not warranted

Conclusion

In considering this referral, and having had regard particularly to –

(a) Section 2(1), 3(1), 4(4), of the Planning and Development Act, 2000, as amended,

(b) Articles 3, 6 and 10 and Class 1 and Class 1 of Schedule 2, part 1 of the Planning and Development Regulations, 2001, as amended,

The Planning Authority has concluded that:

(a) the proposal constitutes “development” within the meaning of S3 of the Act

(b) The rear extension is considered to constitute “exempted development” having regard to the provisions of Class 1, Schedule 2, Part 1, (Exempted Development) Regulations 2001
