

**Habitats Directive Appropriate Assessment
Screening Determination**

Kinsale Public Toilets

Cork County Council
Comhairle Contae Chorcaí

Completed by: Sharon Casey

Date: Feb 2024

This document contains the Habitats Directive Screening Determination of Cork County Council in respect of proposed Public Toilets, Kinsale.

Name of the project Kinsale Public Toilets, Town-Plots, Kinsale
Description of the project <ul style="list-style-type: none">• The installation of two number unisex public toilets and one number disabled access public toilet and storeroom within existing building footprint at Town-Plots;• Conservation works to existing stone walls; and• Roofing works to extent of existing building and any ancillary works necessary for the provision of public toilets.
Name and location of EU sites subject to screening There are no EU sites located within 5km of this proposed development and no physical, hydrological or other ecological connectivity has been identified linking the development site to any such site. No potential pathways for impact to any EU sites have been identified.
Is the project directly connected with or necessary to the management of the sites listed above? No.
Describe how the project (alone or in combination) is likely to affect the Natura 2000 Site. No potential for impact to any EU site identified.
Overall conclusion In accordance with Section 177S of the Planning and Development Act 2000 (as amended) it is concluded that the proposed project does not pose a risk of causing significant negative any EU site for the following reasons: There are no EU sites located within 5km of this proposed development and no physical, hydrological or other ecological connectivity has been identified linking the development site to any such site. No potential pathways for impact to any EU sites have been identified. It is therefore determined that a Stage 2 Appropriate Assessment under Section 177V of the Planning and Development Act 2000 is not required.
