Recycling Centre F.A.Q.
The Places Where You Return To

What is a Recycling Centre?
A Recycling Centre is a modern, clean & fully staffed drive-in facility, licensed by the EPA. In these Centres, you can recycle a large range of household materials. All of these centres accept bagged domestic waste, food waste and bulky items (mattresses, furniture, carpets etc.) for disposal. Please note that there are charges for using the site and for presenting certain materials on site.

What is the entry charge?
When you visit a Recycling Centre, you will be charged a fee of €3 (note that the entry kiosk does not give change & only takes coins – it helps to come prepared!). Once inside, domestic customers may deposit most materials without any further charges.

If I only want to deliver Waste Electrical Equipment (WEEE) or Batteries, do I have to pay the €3 entry fee?
If you are only presenting items of WEEE or Batteries and have no other items in your vehicle to deliver to site, then you do not have to pay the €3 fee. Please find a member of staff who will inspect your vehicle and make arrangements for you to enter the site.

Are there other charges on Site?
If you present other items such as timber, green waste, plasterboard, construction waste, food waste, bags of waste & bulky waste items, charges apply. Please either refer to the disposal charges outlined in this leaflet, call into your nearest centre, log onto the Councils website at www.corkcoco.ie or contact us at 021-4285518, where one of our call centre advisors will be delighted to answer your queries.

What if I have bottles & cans only to recycle?
If you have only recyclable materials from your home, then just the entry fee of €3 applies.

Do all the Centres accept the same range of materials?
At present there are some variations in the materials accepted at the sites. For further details of what is accepted at the Centres, please log onto the Councils website at www.corkcoco.ie or alternatively, contact us at 021-4285518, where one of our call centre advisors will be delighted to answer your queries, or contact your nearest site.

Can I prepare for my visit to site?
Yes you can prepare for your visit by having the entry fee ready in coins (€0.50, €1.00 & €2.00 coins are accepted) to place into the entry kiosk. Separate your materials at home into the various types as this will reduce the amount of time taken on site.

How do I prepare my recyclables for acceptance at the Centre?
Ensure that materials are as clean & dry as possible. Flatten or squash boxes, cartons & cans. Remove plastic packaging from cardboard & paper. Make sure that you place the correct material in the correct container. If in doubt, please ask a member of staff.

What do I have to do on site?
Prior to leaving home, please separate your waste into the different recyclable materials, as this reduces the time taken on site to deliver your materials. Deposit your waste into the relevant skips/bin/container. Ask Site Staff for assistance and if in doubt, please ask for advice as necessary.

Are there any materials not accepted at the Centre?
We cannot accept chemicals, asbestos, silage / bale wrap, pesticides, herbicides, foil lined plastics, needles/syringes. Please contact us for further assistance either by logging onto the Councils website at www.corkcoco.ie or contacting us at 021-4285518, where one of our call centre advisors will be delighted to answer your queries, or log onto the Councils website at www.corkcoco.ie or contact us at 021-4285518, where one of our call centre advisors will be delighted to answer your queries.

Recycling Centre F.A.Q.

1. What is a Recycling Centre? A Recycling Centre is a modern, clean & fully staffed drive-in facility, licensed by the EPA. In these Centres, you can recycle a large range of household materials. All of these centres accept bagged domestic waste, food waste and bulky items (mattresses, furniture, carpets etc.) for disposal. Please note that there are charges for using the site and for presenting certain materials on site.

2. What is the entry charge? When you visit a Recycling Centre, you will be charged a fee of €3 (note that the entry kiosk does not give change & only takes coins – it helps to come prepared!). Once inside, domestic customers may deposit most materials without any further charges.

3. If I only want to deliver Waste Electrical Equipment (WEEE) or Batteries, do I have to pay the €3 entry fee? If you are only presenting items of WEEE or Batteries and have no other items in your vehicle to deliver to site, then you do not have to pay the €3 fee. Please find a member of staff who will inspect your vehicle and make arrangements for you to enter the site.

4. Are there other charges on Site? If you present other items such as timber, green waste, plasterboard, construction waste, food waste, bags of waste & bulky waste items, charges apply. Please either refer to the disposal charges outlined in this leaflet, call into your nearest centre, log onto the Councils website at www.corkcoco.ie or alternatively, contact us at 021-4285518, where one of our call centre advisors will be delighted to answer your queries.

5. What if I have bottles & cans only to recycle? If you have only recyclable materials from your home, then just the entry fee of €3 applies.

6. Do all the Centres accept the same range of materials? At present there are some variations in the materials accepted at the sites. For further details of what is accepted at the Centres, please log onto the Councils website at www.corkcoco.ie or alternatively, contact us at 021-4285518, where one of our call centre advisors will be delighted to answer your queries, or contact your nearest site.

7. Can I prepare for my visit to site? Yes you can prepare for your visit by having the entry fee ready in coins (€0.50, €1.00 & €2.00 coins are accepted) to place into the entry kiosk. Separate your materials at home into the various types as this will reduce the amount of time taken on site.

8. How do I prepare my recyclables for acceptance at the Centre? Ensure that materials are as clean & dry as possible. Flatten or squash boxes, cartons & cans. Remove plastic packaging from cardboard & paper. Make sure that you place the correct material in the correct container. If in doubt, please ask a member of staff.

9. What do I have to do on site? Prior to leaving home, please separate your waste into the different recyclable materials, as this reduces the time taken on site to deposit your materials. It will also make the site more efficient and increases the recycling rate of the site. Deposit your waste into the relevant skips/bin/container. Ask Site Staff for assistance and if in doubt, please ask for advice as necessary.

10. Are there any materials not accepted at the Centre? We cannot accept chemicals, asbestos, silage / bale wrap, pesticides, herbicides, foil lined plastics, needles/syringes. Please contact us for further assistance either by logging onto the Councils website at www.corkcoco.ie or alternatively, contact us at 021-4285518, where one of our call centre advisors will be delighted to answer your queries.
