Environmental Impact Assessment	Screening Determination
Proposed Development	Extension and alterations to Skibbereen Town Hall, North Street, Gortnaclohy, Skibbereen. The extension is to comprise a glass fronted, flat roofed structure on the south side of the building, facing on to The Square, containing a foyer and an accessible W.C. The alterations are to comprise a change of layout to the existing ground floor W.C. area to create new male and female W.C.'s and a ramped access connecting the new extension to the existing building. The subject building is a Protected Structure.
Address	North Street, in the Townlands of Gortnaclohy, Skibbereen

The current proposal is a minor extension to an existing building.

The proposal is not of a class listed in Part 1 or Part 2 of Schedule 5 of the Planning and Development Regulations, 2001 as amended.

Having regard to the nature and scale of the proposed development, there is no real likelihood of significant effects on the environment arising from the proposed development

As such, the requirement for environmental impact assessment can be excluded at preliminary examination and a screening determination is, therefore, not required.
