

## Growing Together Gardening Course County Cork

Cork County Council, supported through its Heritage Unit, is offering an online gardening course open to all residents of County Cork, and representatives/ members of Tidy Towns, Residents Associations, Green Schools Coordinators, Community Groups.

This is run by Horticulturist Aoife Munn and has received great response from past participants and the media. It is a 5-week course on Thursday afternoons (duration: 1 hour).

The course covers Reducing your waste, growing your own veg, Planting for pollinators, Alternative to Chemicals and much, much more. The course is very practical in nature and each week you will be sowing seeds, pricking them out and looking at planting techniques as well as learning about organic growing.

The course will be held Thursday afternoons at 2.30pm. You must be able to attend all 5 dates to get a place on the course.
