

Easy step by step how to guide.....

1. Download the PressReader app from your Appstore, open and select sign in from the black tool bar located at the bottom or side of the screen

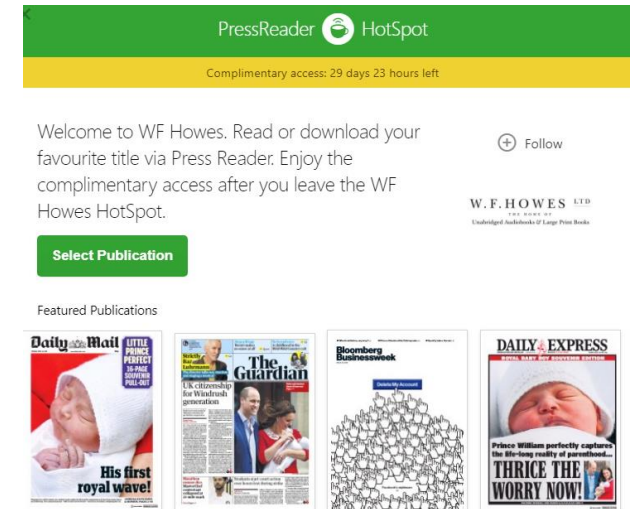

2. A pop up box will appear, select the yellow Library and Group button, search for your library name and select, log in with your barcode (and pin if asked)

# App Users

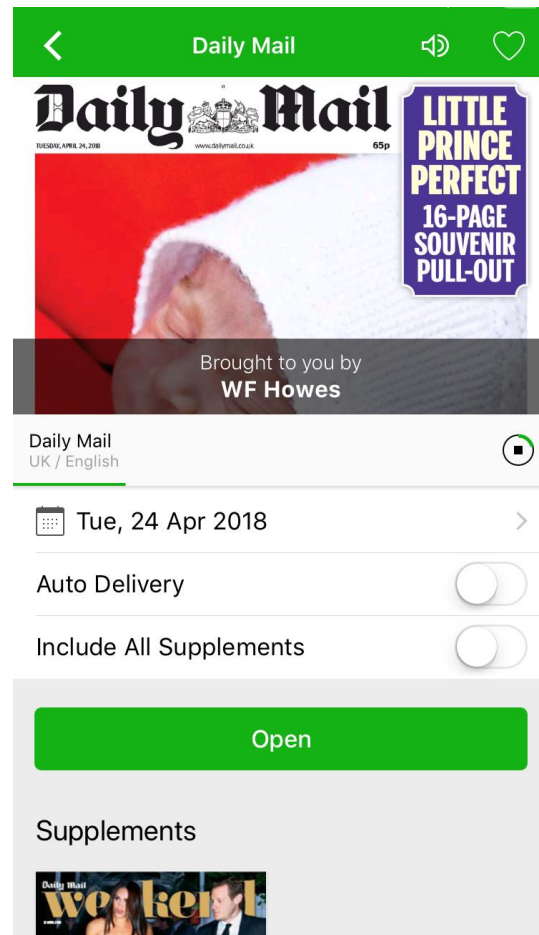

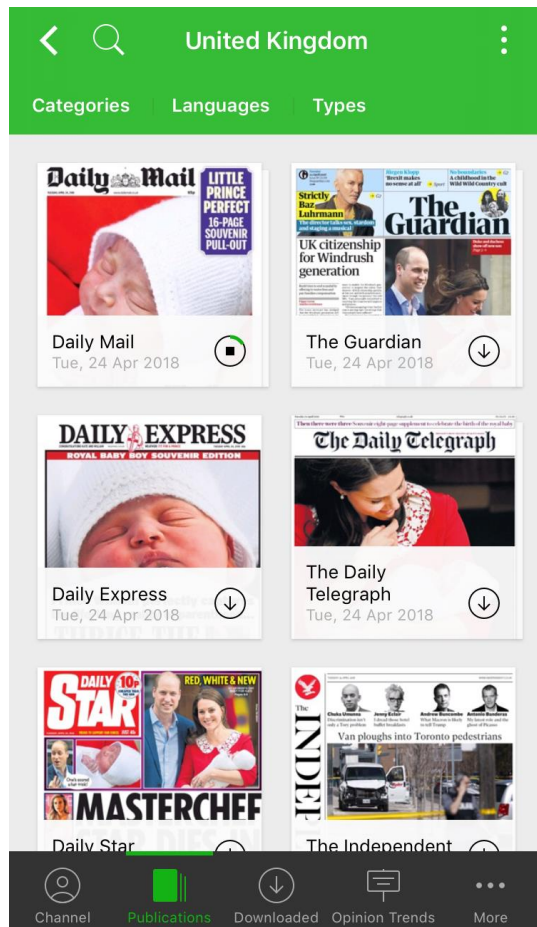

3. Once logged in you will see a pop up box to confirm you now have access to the site for 30 days. If you have authenticated through the library wifi you will have access for 3 days.

**Note:** that once your access has expired you will need to log out and then back in again to reactivate your access.

 = this means you are logged into the site

4. You can now browse publications from your access message, home feed or select from the Publications tab in the menu on the left hand side, select your preferred publication country, and select your favourite newspaper and read!

5. Once you have opened your newspaper you will have the option to view in text view, listen to articles, change the language, zoom in, link your device to open the newspaper in your Pressreader app and more!
