Privacy & Data Protection:

Personal information collected by Cork County Council is done so in order for us to process your application. Legally we can process this information as we believe it is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in Cork County Council. The protection of your personal data is a key priority for the Council and your data will be processed in line with our Privacy policy which is available at <https://www.corkcoco.ie/Privacy-Policy> or hardcopy from our offices at County Hall, Carrigrohane Road Cork, Ireland. Should you have any questions about our privacy policy or the information we hold about you please contact us by email to dpo@corkcoco.ie or write to us at Data Protection Officer, Cork County Council, County Hall, Carrigrohane Road Cork, Ireland.

Smoke Alarm Installation Guidance

General Recommendations

- Ceiling mounted
- At least 500mm from walls and obstructions
- Position so they can be heard and can wake you
- Ensure smoke alarms are **installed** in accordance with manufacturer's instructions.
- To activate the smoke alarm, fix the base plate to the ceiling and twist the smoke alarm onto the base plate in accordance with manufacturer's instructions.

Standard Two/Three Storey House

- Smoke alarm at each level
- Smoke alarm within stairway at upper level sleeping areas. Distance from bedroom door to be within 3metres
- Smoke alarm within hallway at ground level

Bungalow

- Minimum 1 smoke alarm
- Smoke alarm within 3metres from bedroom
- Smoke alarm should be between living area and sleeping area
- No point on the hallway should exceed 7m from a smoke alarm

Typical minimum smoke alarm installation

- **Once installed all smoke alarms should be tested weekly**
