

Have a Spooktacular time!

# Don't get a FRIGHT from FIRE this Halloween!

Consider using battery operated candles  
If using real ones, don't leave unattended

\* \* \*

Some costumes can be flammable  
**STOP, DROP & ROLL** if clothes go on fire

\* \* \*

Ensure your exits are clear, chimney is  
swept & smoke alarms are working

\* \* \*

Explain dangers of illegal fireworks to kids  
- not worth losing an eye or finger over!

\* \* \*

Keep decorations away from heat sources  
such as bulbs, heaters & open flames
