## 1.1 Introduction

1.1.1 This background document outlines the process for bringing the Record of Protected Structures and Designated Architectural Conservation Areas from the nine Town Council Development Plans into the new County Development Plan.

## 1.2 Overview of the Record of Protected Structures (RPS)

1.2.1 Volume Two: Heritage and Amenity of the Cork County Development Plan 2014 contained 1,407 structures on the Record of Protected Structures in County Cork.

1.2.2 A total of 82 records on the current County Development Plan Record of Protected Structures have transferred to Cork City Council and the list can be viewed on the Cork CDP website at [www.corkcocodevplan.com](http://www.corkcocodevplan.com) and associated Map browser.

1.2.3 Therefore, there are currently 1,325 records on the County Development Plan Record of Protected Structures.

1.2.5 As part of the County Development Plan Review the current County Development Plan Record of Protected Structures will be updated to include the Record of Protected Structures list from each of the current nine Town Council Development Plans, see table below;
