11. Councillor Marcia Dalton

“That Cork County Council would use the powers granted to it under Section 71 of the Local Government (Planning and Development) Act 2000 to take Vernon Mount (No. 00480 in the Record of Protected Structures) into public ownership.

That in thus acting in accordance within its statutory powers to respond to its commitment in HE 4-1 of the County Development Plan, Cork County Council would be mindful that:

1. Since 1997, the owners of Vernon Mount have failed on an ongoing basis to uphold their responsibility under Section 58 of the Local Government (Planning and Development) Act 2000
2. The cost of the works to the roof of Vernon Mount carried out by Cork County Council in 2010 and in 2012 was to be reimbursed by the owners to Cork County Council in the event of damage befalling the house.”

“To seek a report on the Housing (Standards for Rented Houses) Regulations 2017, covering both private and public tenancies. The report to include

- The status of inspectors and whether they have additional responsibilities.
- Level of funding Council receives annually from the Residential Tenancies Board in relation to the inspection of properties.
- Frequency of inspections, actual and targeted.
- The result of inspections carried out in 2016 and this year to date broken down by public/privately owned properties.
- Number of ‘Improvement Notices’ issued and/or prosecutions initiated.

What redress does a tenant in public housing have if the Council itself, as landlord, is in breach of minimum standards? ”

[Deferred from Meetings 10th & 24th July 2017]

13. Councillor Danielle Twomey

“That this Council writes to Minister Eoghan Murphy, and ask the following:

- To conduct a legal review of the local government act 2001, article no 37. Where it states a public representative absent from their post for more than 6 months will be deemed resigned. This does not cover cases of maternity leave and therefore is discriminatory and the legislation is conflicting.
- That the Minister look to reintroduce the Maternity Protection Bill 2013 before government.“

[Deferred from Meetings 10th & 24th July 2017]

14. Councillor Des O Grady

“That Cork County Council is deeply concerned with the Government's new waste management proposals. That Council will write to Minister Naughten asking that he stops these new charges coming into effect, that he undertakes a study on the feasibility of greater public ownership and the possible remunicipalisation of household waste collection, that he will introduce increased regulatory control and further measures to reduce, reuse and recycle waste and that he will introduce adequate supports for low income families and those with medical conditions“.

[Deferred from Meeting 24/7/17]

15. Councillor Melissa Mullane

“That this Council provide a written report on the number of Active Waste Facility permits issued by Cork County Council and their auditing procedure on such sites to ensure all collected product including waste from their own bring sites and civic amenity sites is disposed of under current regulations and legislation. Report also to include what function Cork County Council has with the National Waste Collection Permit Office (NWCPO) when issuing collection permits to operators within council’s functional area and again the auditing procedure in place on where waste is disposed under current legislation and regulations.”

[Deferred from Meeting 24/7/17]
