FOGRAÍ RÚN**

**7. Councillor Joe Carroll:**

“That Cork County Council, when awarding contracts for the renovation of vacant local authority houses, would put a time-frame in place on said contracts, in order to reduce the time between occupancies”.

[3/1/17]

**8. Councillor Des O’Grady:**

"That Cork County Council directly develop the ‘New Town’ of Monard to provide badly needed housing. As the Council has already had the vision to invest heavily in the planning and designing of Monard the town should be constructed by the Council instead of relying on private developers. The vast majority of this development will be residential providing an ideal opportunity for the Council to create a new vibrant community of 13,000 people living in 5,000 mixed tenure homes based on modern planning, first class infrastructure and contemporary community facilities."

[12/1/17]

**9. Councillor James O’Donovan:**

“That this Council would call on the OPW to revise the boundaries outlined in the CFRAM report that was conducted throughout Cork County as part of the EU Directive set out in 2007 as this will have devastating effects on existing homeowners and business owners that are now deemed to be inside the parameters of the flood risk areas in the near future.”

[12/1/17]

**10. Councillor Eoghan Jeffers:**

“That this Council be updated with a written report to outline the amount of requests from members of the public and elected members to have trees removed, topped or pruned in 2015 and 2016 within each municipal district. The report should also include how many requests were successfully dealt with and what was the cost.”

[13/1/17]

**11. Councillor Melissa Mullane:**

“That this Council investigate the legality of levying a flat rent increase (*outside of differential rent scheme*) on all its housing tenants without adequate notice and also examine the legality of imposing additional rents on tenancies of less than 24 months.”

[13/1/17]

**12. Councillor Noel Collins:**

“That this Council call on the Minister for Justice to introduce tougher laws on the sale of lethal hunting knives, including the setting up of a national register to stop them falling into the wrong hands”.

[9/1/17]

**13. Councillor Danielle Twomey:**

“That this Council request that the minister take immediate action to enact statutory instrument legislation to enable the Irish Coast Guard to become a stand alone primary response agency”.

[11/1/17]

**14. Councillor Noel McCarthy:**

“That Cork County Council write to Bus Eireann asking them to ensure the continuation of Expressway Services including the X8 Cork to Dublin Route, into the future.”
