    2. "That the Engineer gives a written report on

  - In the interim cut back the shrubbery to widen the roadway.
  - Improve lighting for pedestrians.”
3. “That the Engineer gives a written report on action to be taken to increase the safety of residents/vehicles exiting and turning right at Douglas Lawn adjacent to Bow Wow Bridge.”

**Cllr. M Murphy**

1. “That the Engineer considers the inclusion of Ardmore Estate as part of the works programme for 2018.”
2. “That the Engineer considers installing Traffic Calming measures, possibly signage, on the road from Maulbaun to the Old Graveyard.”

**Cllr. M D’Alton**

1. “That this Municipal District Committee would submit an observation to An Bord Pleanála in support of Aldi’s planning application for the former Eurospar supermarket, Passage West on the grounds that:
  - The proposed delivery of the Aldi service into an existing supermarket building is very badly needed in Passage West.
  - Passage West is a satellite town with notably poor retail offerings for its resident population.
  - The grounds on which the appeal has been taken have been proven to be not relevant as Eurospar formerly operated out of this building for many years.
  - The provision of supermarket-sized convenience retail within Passage West would alleviate the need for residents to travel to meet their shopping needs and would consequently reduce traffic congestion to and in the adjacent settlements of Douglas and Carrigaline.”
2. “That Cork County Council would install a pelican crossing at the current uncontrolled crossing location outside St. Peter’s Community School, Passage West.”

**Cllr. E Jeffers & Cllr. M Murphy**

1. “That this Municipal District would request the Tourism Section of Cork County Council to develop a tourism strategy for Carrigaline and surrounding areas of the Lower Harbour. This strategy should have a specific aim of attracting tourists who arrive via the port in Ringaskiddy, to these areas as key destinations.”
