There will be an LECP sub group which will look at themes in the LECP and assess progress on actions, undertaken by the Local Authority and relevant agencies.

The sub group will initially be tasked with identifying suitable proposals for Healthy Ireland. Mr. James Fogarty advised the LCDC that health actions cannot be delivered by the Local Authority and the forum for doing so should be within the LECP.

Ms. Corcoran advised the LCDC that the Healthy Ireland funding of €200,000 will have to be spent by end of March 2018.

It was advised that Action 5 is currently being undertaken by Cork County Council. This conference will be held on the 1st May and is targeted at approx 500 transition year students from around the County to be held in the Radisson Blu Little Island.

A Healthy County Strategy is to be prepared and it is expected that this would be undertaken by a consultant.
