Notice of Motion submitted by Cllr Coughlan

'To investigate if dredging the Bridewell river is part of the Bandon flood relief scheme and to get an update as to whether this has been done or when it is planned for.

Further, to pay tribute to the staff of Cork County Council, the Fire Service and Gardai and volunteers for protecting Bandon from flooding during the weekend of 12/13 January.'

'In light of severe weather damage and historic lack of adequate upgrades and maintenance due to financial constraints, The Bandon Kinsale Municipal District calls on Cork Court Council to urgently make available extra resources to repair rural roads in the Bandon, Ballinadee, Innishannon area.'

(iv) Motion submitted by Cllr Lombard

That this council do a full survey of the village of Ballygarvan to see what options are available to deal with Traffic calming measures, pedestrian access in the village, provision for improving the drainage in the village and the hills around Ballygarvan, to make provision for a bus bay within the village and to see what options are available to increase parking within the village.

That this council progress with the drainage and surfacing of weavers point in Crosshaven. There is a lot of flooding issues on this road and we need to act immediately to put drainage in this road and have it surfaced before next winter.
