1) That this Council requires that the Winter Service Plan be amended to include the R611 from Carrigaline to Ballyfeard to Belgooly and the R607 from Kinsale to The Rising Sun to Halfway. These strategic regional roads are not included in any

of the three priority lists outlined in the Winter Services Plan and this is clearly not acceptable as these are vital routes for hundreds of people.

2) That a plan be put in place to deal with the provision of toilet facilities in our public beaches for this summer season. Particularly the cost implementation, locations and the facility type should be outlined. The option of paying local businesses to provide the facilities should also be explored.

3) That this district meeting gets furnished with a report on the plans and progress for Graball bay and Church bay in Crosshaven.
