FOGRAÍ RÚN

8. CLLR. DEIRDRE O'BRIEN

“That Cork County Council provide a report on the number of Vacant Levy notices issued since the introduction of a Vacant Levy Officer”

[07/03/2022]

[Deferred from Meeting of 14<sup>th</sup> March, 2022]

9. CLLR. SUSAN MCCARTHY

“That Council write to Irish Water to request support to be put in place for those who are subjected to repeated outages, and also some accommodation for those who are subjected to protracted and repeated Boil Water Notices. While it is accepted that on BWNs, water can be used once boiled, it is causing undue stress and strain on families and people with disabilities. Also in areas that frequent outages occur, that they would supply an alternative water source.”

[09/03/2022]

10. CLLR. LIAM QUAIDE

“That Cork Co. Council would follow the lead taken by Cork City Council in banning the use of chemical-based weedkiller in public parks, open space areas, greenways, woodland planting and roadside verges, and that it would reserve the right to use chemical-based weedkiller to control the Japanese knotweed invasive species. In so doing, Cork Co. Council would recognise the significant, unnecessary harm caused to biodiversity by these products, their increasingly evidenced impact on human health, the outdated scorched aesthetic they leave behind, the availability of alternative means of achieving the same purpose, and the growing demand from the public to make this policy move.”
