RESOLUTION UNDER SECTION 179 OF THE PLANNING & DEVELOPMENT ACT 2000, AS AMENDED

MUNICIPAL DISTRICT OF BANDON/KINSALE:

Consideration of Part 8 Chief Executive's Report on proposed road improvement works on the R605 Ship-Pool Bends at Ship-Pool, Innishannon, Co Cork. The R605 is classified as a regional road and is one of the connecting roads for the Kinsale town with the national road N71 via Innishannon. The section of the R605 to be improved is located at bends which curve around a sheer rock face on the eastern side of the road, with a steep ground fall on the western side to the River Bandon. Road geometry at that location is substandard, especially for Heavy Goods Vehicles (HGVs), which currently are forced to yield to other HGVs moving in the opposite direction.
