10. CLLR. ALAN O'CONNOR

A personal assistance service (PAS) involves the employment of personal assistants by disabled people in order that they may live as independently as possible.

Recognising:

1. Ireland's ratification, in 2018, of the UN Convention on the Rights of People with Disabilities (UNCRPD), Article 19 of which states that disabled people have the right to live in the community and have access to a range of in-home and other supports, including a PAS;
2. The motion passed by Dáil Eireann on the 19th November which reaffirms that PAS should be legislated for as a right;

It is moved that Cork County Council also supports the right to a PAS for disabled people, for greater freedom, choice and control over all aspects of their lives, and to better enable us all to fully participate in an inclusive society as equals.
