15. CLLR. BEN DALTON O'SULLIVAN:

"That Cork County Council would adopt a county wide policy where every playground would have communications boards installed and consideration would be given to install ASD friendly play equipment at each county playground."

[26/01/2021]

17. CLLR. DANNY COLLINS:

"I am calling on this Council to support my motion that we write to the government and request that they implement mandatory quarantine to all people from countries all over the world coming into Ireland. This would mean everyone would have to quarantine in a hotel which would be kept in a high security system to get this country into a zero Covid Country."

[31/01/2021]

Deferred from Full Council Monday 8th February 2021

18. CLLR. MARCIA DALTON:

“To ask the Minister to amend the Environmental Protection Agency Act 1992 to include “shipping” as an activity licensable under the Act. This would require all ports above a certain size throughout Ireland to operate in accordance with an Industrial Emissions licence.”

Deferred from Full Council Monday 8th February 2021

[12/02/2021]

22. CLLR. IAN DOYLE:

“That Cork County Council would in conjunction with Environmental Division adopt a green friendly approach to dog fouling in our Council owned public areas. I propose we set aside a budget to stencil dog fouling signs on all walkways in our public areas thus eliminating need for hard signage adding to our litter control programme.”

[15/02/2021]

23. CLLR. LIAM QUAIDE:

“That Cork Co. Council would write to each government Cabinet member urging them to engage with the Independent Scientific Advisory Group (ISAG) on COVID-19 with a view to devising a COVID elimination strategy for Ireland that draws on international examples from a variety of countries such as Taiwan, Australia, New Zealand and Vietnam. There is an urgent need for a change in COVID strategy in order to prevent further unnecessary loss of life, as well as far-reaching societal and economic damage.”
