**7. CLLR. NOEL COLLINS:**

“In the light of the present demand for services which leads to frequent digging of roads, Cork County Council implement a policy whereby appropriate ducting is included in the construction of new roads and digging up of existing roads is properly co-ordinated.”

[29/10/2020]

**8. CLLR. MARCIA DALTON:**

“That Cork County Council would introduce a special speed limit of 30 km/h in all town and village centres. This would support safer movement of pedestrians and cyclists, support local businesses by increasing shopper dwell time and support a more pleasant and healthier town centre environment.”

[02/11/2020]

**9. CLLR. SEAN O'DONOVAN:**

“That Cork County Council calls on the Office of Public Works to carry out the necessary excavation works to recover the remains of Joseph Brady, Daniel Curley, Michael Fagan, Thomas Caffrey and Timothy Kelly at what is commonly called the Invincibles yard in Kilmainham Jail. The bodies of these five members of the Irish National Invincibles, lie beneath the yard where they were executed in 1883 for their part in the Phoenix Part Assassinations. The families of the five men are represented by The National Graves Association. It is the wish of the families that their relatives' remains be exhumed from the yard in Kilmainham Jail and reinterred in consecrated ground in Glasnevin.”

[28/10/2020]

**10. CLLR. SUSAN MCCARTHY:**

“That Cork County Council call on the HSE and the Minister for Health to implement a national screening programme for Haemochromatosis. Furthermore, that as a chronic condition with simple treatment, that the sufferers of haemochromatosis be offered free treatment and supervision for life. The early diagnosis of this condition can prevent cancers, organ failure and a deterioration of the quality of life of sufferers.”

[28/10/2020]

**11. CLLR. JOE CARROLL:**

"That Cork County Council adopt, promote and advance the awarding of the recommended 5 military medals for gallantry and the 27 distinguished service medals for the Irish Soldiers of A Company, 35th Infantry Battalion, who so bravely defended the Siege of Jadotville, serving under a UN mandate in the DRC in the early 1960's. The Soldiers returned to Ireland and were unjustly branded as cowards, as history now informs us. They were recognised in 2017 by the government with a block Jadotville medal. The gallantry and distinguished service medals continue to be denied. With only 8 surviving soldiers alive, time cannot wait any longer for the just recognition so richly deserved by our brave veterans. A letter from CCC to the Minister of Defence, the Chief of Staff and the Commander in Chief (The President) should be drafted accordingly and dispatched forthwith."
