3,500 workers to protect and secure their full and proper Conditions in the ongoing talks  
involving the Government, Irish water, local authorities and trade unions, on water sector

**14. CLLR. AUDREY BUCKLEY**

“That Cork County Council will update our by-laws in County Cork. We need measures in place for the public to feel safe, accountability and that our Garda can enforce the law. Many of us face anti-social behaviour in our areas with no accountability for the type of behaviour that is happening more frequently. On Spot Fines will be a deterrent to anyone thinking of breaking the law. Working with An Garda Síochána and the council like Cork City council are, having recently updated their by-laws on On Spot Fining.”

[31/01/2022]

**15. CLLR. IAN DOYLE**

“That Cork County Council would write to Minister for public expenditure to look at the current terms of pay and conditions of our retained firefighters and responders both for here in Cork but Nationally.”

[31/01/2022]

**16. CLLR. ROSS O’CONNELL**

“As an immediate solution to the ever-worsening fuel crisis and an affordable way for people to reduce their CO2 emissions, that this Council would write to the Minister for Transport (Eamon Ryan) requesting that; (a) grants be introduced to vehicle owners for LPG conversions, and (b) incentives be provided to encourage the roll out of additional Bio-LPG pumps in forecourts across the country”.
