9. CLLR. BEN DALTON O'SULLIVAN

“That a full report would be made available to all members of the Council on the meeting which took place on 26/7/21, which was requested by the previous Mayor, which was held between the current Mayor, Chief Executive and An Taoiseach, and subsequent discussions with An Taoiseach and government departments surrounding the AIRO Independent Report published by Maynooth University which confirmed a number of areas which Cork County Council is underfunded by National Government.”

[Deferred from Meeting of 13th September, 2021]

11. CLLR. DANIELLE TWOMEY

“In order to highlight the crippling costs of back to school for families, Cork County Council shall write to the Department and the minister, and all members of the education committee, and request that stricter guidelines be put in place, at a national level regarding the use of specific uniforms, school jackets, and book rental schemes. And request that measures are put in place nationally to help reduce these costs for families at governmental and departmental level, and funding be allocated to support these measures.”

13. CLLR. AUDREY BUCKLEY

I would ask what measure are put in place by Cork County Council for a public awareness campaign to help clarify for landowners and the public regarding *Public & Private Rights of Way* before the registration deadline in November 2021. With the amount of walkers using these public walks, we need to protect these historic walks for future generations”.
