Claire Levis, Assistant Staff Officer

Apologies : Cllr Lombard

This meeting was preceded by a prayer for Enda O'Halloran on the death of his father Pat O'Halloran R.I.P

Congratulations were offered to Cllr Lombard on the birth of his son Gerard.

1 (a) Confirmation of Minutes of Municipal District of Bandon-Kinsale Meeting held 26th May 2017.

On the proposal of Cllr. Mc McCarthy seconded by Cllr Coughlan the Minutes of Meeting of Bandon-Kinsale Municipal District held on 26th May 2017 were confirmed.

1 (b) Matters arising from Minutes dated 26th May 2017.

Cllr Coughlan wanted to commend the group from Ballinhassig on all the works done so far in their village. The Council will advise them when grants are available in the future so they can keep up the good work.

Cllr McCarthy asked about the Zebra Crossing on the Macroom road- CMC stated that this would be done as part of the school and footpaths however Cllr Mc Carthy said that they shouldnt have to wait for that long. The road is getting much busier because of the meat factory and new houses. Can this road be looked at when there is a new speed survey?

Cllr Murphy asked how soon the foot bridge reinstated in Bandon. CMC said from his information this would not be ready before summer of 2018. Cllr Murphy asked for the traffic

warden to ensure that footpaths are kept clear at all times to ensure that pedestrians have direct access to the centre of town.

2 Reports & Recommendations.

(b) Bandon Main Drainage Scheme

Tenders for the sewerage scheme are due back on the 4th July. The Tenders will be managed by Irish Water and this could take months to sort, most likely 5-6 months.

The Pre Qual for the Bandon WWTP is nearly complete with a tender possibly going out for a plant by the end of July.

(c) Bandon Flood Relief

CMC circulated a report on the Bandon Flood Relief which the members whole heartedly welcomed. Mac Dara O'Hici also mentioned that further updates can be found on www.Bandonfrs.ie

Cllr McCarthy asked about the playground and the possibility of alternative access to it. They were not informed that the current access was curtailed. There is no access now excepty through the car park. Cllr Mc Carthy asked how long this would be the way and CMC responded that this would stay the same until the footbridge was opened.

Cllr Murphy asked if the playground could be renovated while the footbridge was closed? MacDara O Hici responded that the design etc should definitely be looked at at this stage.

Cllr McCarthy asked about the deep clean of the playground- CMC said to wait until after the dredging of the river. Sept would be a good time. Cllr McCarthy asked if the Playground committee would be allowed to paint it? CMC said to confer with the Tidy Towns.

Members asked if the old foot bridge could be reused? CMC said this was a possibility and that suggestions should be made to the council.

(c) Update Road works

CMC circulated around a report on the on road works of Kinsale/Bandon.

Members asked about the Community Involvement schemes, CMC said that he had put in 3 schemes for consideration.

Cllr Murphy asked about the road to the Rising sun to Knocksmall- can it be made more accessible? The sides of the road are not straight and it is not easy drive.

Ballinispittle Village Plan was going to part 8, the Public Can make their submissions for any changes.

Cllr O Donovan asked about some extra funding given to Bandon for local roads in the area.

CMC agreed that he had been given funding and the non national roads would be looked at.

Some would wait until after the dredging of the river in Oct but others would be done once the Tender was done. The members expressed delighted at this.

Cllr Coughlan asked if a license had been granted for the dumping of the Dredging material. They had heard nothing regarding this. They initially had been told that Keohanes had been given a licence but they were not being used now. She asked about Patricks Quay and CMC said that the works on this would not be starting until 2018. St Finbarrs Place will start before this.

(d) Tourism update

A Tourism Update was circulated to Members of Each Municipal District on the Activity of Tourism Section to End of May 2017.

The members welcomed the report and did note that as regards Bandon there seemed to be a gap in the promotion of the tourism of that area.

Cllr Coughlan stated that there was a huge History of Bandon that had not been explored. The Heritage Centre needs investment; there should be historical signs around Bandon which would interpret the history of Bandon. The last 500 years in Ireland started in Bandon.

Cllr McCarthy agreed with the fact that Bandon had been left out, that there seemed to be a lack of investment in Bandon, it needs more attention as it seems to be forgotten. Also that the major Tourism in Bandon is Fishing that this should be exploited.

Mac Dara O Hici stated that with the Bandon TPrep there would be a lot of focus in Bandon and the river of Bandon.

Cllr Coleman stated that we should use the Council in its role of marketing. Especially for 2018-2021. There was a good opportunity ahead and that there was a good opportunity ahead.

Mac Dara O Hici stated that the job of Cork County Council was to facilitate rather than direct marketing and that local involvement was needed. An advertisement should be put into the paper asking for expressions of interest on tourist schemes and a subcommittee set up with one or more of the members.

As regards the Heritage Centre they should apply for an amenity grant.

(e) Report on Town Entry Money for Bandon and Kinsale was postponed until the next meeting.

3. Statutory Business

- (a) Presentation of the Draft Camden Fort Meagher Masterplan. The presentation will be by JCA Architects (Consultants) who have been appointed by Cork county council to Prepare a **'Masterplan for the Future Use, Conservation and Restoration of Camden Fort Meagher'** This was postponed until the 26th Sept 2017
