2. COVID-19 Emergency Fund 2021 presented by the Chief Officer (see list of Successful Applications attached)

The national allocation of €1.7M was announced in December with Cork County 's allocation being €65,191. The Department recommended that LCDCs ring-fence 30% of funding to grants of €1,000 or less.

The fund was launched in Cork County on 18th January with a closing date of 4pm on Friday, 5th February.

All projects have until 30th July, 2021 for drawdown of monies, this includes return of receipts plus photographic evidence prior to payment being made.

Those that were unsuccessful were either too large to be funded or the project was deemed ineligible under the scheme guidelines.

The Chief Officer clarified that the description for the Watergrasshill Community Association should say "Sanitising equipment and supplies".

The Chief Officer explained that a number of applications for laptops and tablets for school-going children were received but not funded under the scheme due to their cumulative expense and the fact that other sources of revenue are available.

The Chief Officer clarified that all applications for sanitising equipment and supplies were capped at €500 in order to ensure that as many groups as possible could be supported.

Cllr. Cathal Rasmussen asked if unsuccessful groups will be given a reason in their letter. The Chief Officer said that they would not but that all decisions can be fully justified if queried.

The allocation of the COVID-19 Emergency Fund 2021 for South Cork was proposed by Cllr. Michael Hegarty and seconded by Cllr. Seamus McGrath and unanimously approved by the LCDC.

3. AOB
