Cllr. Audrey Buckley

- 1. "I would like an update please on the Minane Bridge Dam.*
- 2. I would like an update please on the wrecked boat taking up much needed space for active seafarers in Crosshaven."*
- 3. "Can I ask that we bring in someone from Port of Cork to discuss the underutilisation of the Hugh Coveney Pier. With the last largest fishing vessel sold, the pier has much needed parking that could be utilised for the village (properly fenced off) and because of the small area of public pontoon our boat tour companies are now having to go to Cobh to pick up passengers as they cannot access the Hugh Coveney Pier. The area is being underutilised and it would be great to talk with someone from the Port of Cork about working with the*

community to enhance and utilise the area. We are losing visitors to the Crosshaven area because of the lack of access to the small pontoon."

Cllr. Seamus McGrath

1. *"To seek a written update on plans to upgrade the Bothar Guidel stretch in Carrigaline and indicative timeline on the commencement of works."*
2. *"To seek a written update on the Ringaskiddy Public Realm project and to request that we press ahead with the core of the scheme as soon as possible"*
3. *"To request that the Municipal District examine the possibility of providing a dedicated Dog Park in Carrigaline as an area for dogs to play and run around in a controlled environment under the supervision of their owners."*

Cllr. Jack White

1. *"That we as a Municipal District formally thank Mr. Pat O'Sullivan for his stellar work for us and Cork County Council over the years. We wish Pat well in retirement and welcome Shane Piper to his new role & congratulate him."*

Cllr. Michael Paul Murtagh

1. *"An explanation as to the change to council policy after the Section 38 in Minane. Why are temporary measures being put in place now? Why were Councillors not informed of this change of thinking by the executive?"*
2. *"That the MD will commit to addressing the blatant issues with bin numbers and frequency of collections in Crosshaven and bays at this time."*
3. *"MD again write to Gardai and Minister for Justice with regards serious anti-social behaviour, free availability of dangerous drugs and serious lack of visible Garda community presence in Crosshaven and bays during very predictable and extremely busy periods with day trippers, tourists and holiday makers thronging to the area."*

Cllr. Ben Dalton O'Sullivan

1. *"I'm asking that the main pathway in the new section of Killingley cemetery be power washed. Similarly, there are small potholes on the main pathway which are hazards. I'm asking for these to be filled in."*
2. *"I am asking for the area office to cut the crossroads of Jimmy's Cross, Warner's Cross, Bowens Cross and Ballinrea Cross throughout the summer season."*
3. *"Following significant representations, I am asking a representative from the area office to meet with the Five Mile Bridge community group to discuss speeding concerns on the approaches to the junctions."*
