A Chara,

Tionolfar Chruinniú den choiste thuas luaite mar leanas: -

Please take note that a meeting of the Carrigaline Municipal District will be held on Tuesday 27th of September at 14:00 in the Council Chamber for the transaction of the following business:

1. Deimhniú Miontuairiscí / Confirmation of Minutes

To consider the confirmation and signing of the Minutes of the Ordinary Meeting held on 18th of July 2022

2. Matters Arising

3. Correspondence

4. Breithniúcháin ar Tuairiscí agus Moltaí / Consideration of Reports and Recommendations

5. Part 8 Planning CE Report for R613 Ballygarvan Traffic Calming Scheme (TCS)

6. Competition to name Western Relief Road

7. Update from the Area Office on Current Work Programs

8. Municipal District Officers Report

9. Chun na Ruin so leanas ón gComhairleoir a mheas:/To consider the following Notices of Motion in the name of:

Cllr. Marcia D'Alton

- 1. "That as Cork County Council is preparing a Part 8 to revisit the Glenbrook – N28 greenway proposal through Monkstown, it would include a revisit of the Glenbrook – Monkstown stretch to provide for separate cycling and pedestrian surfaces rather than a shared path."*
- 2. "That Cork County Council would consider how best to provide safe right turning for cyclists travelling from Passage West to join the greenway at Robert's Bridge."*

3. *“That TII would clear some of the grass verge along Carr’s Hill to create a hard shoulder where currently there is none. In the absence of a dedicated cycle lane, this would provide safe refuge for cyclists.”*

Cllr. Ben Dalton O’Sullivan

1. *“That this MD would write to the NTA to request a bus shelter on the outbound stop at Ringaskiddy Village.”*
2. *“Barnaheley Cemetery requires attention. Significant maintenance issues are apparent particularly in the older section of Barnaheley cemetery. Significant attention is required for the cemetery. I’m requesting that the area office would carry out works at the cemetery, and further, I’m requesting that the members would allocate the remaining TDF of €600 towards the replanting of the mounds at the entrance to the cemetery.”*
3. *“That the sides of the road through Halfway village would be looked at for patching and surfacing.”*

Cllr. Seamus McGrath

1. *“That this MD calls on Irish Water representatives to attend our next MD meeting to discuss ongoing issues relating to the Lower Harbour Main Drainage project. The Project cost in the region of €144 million and there are many outstanding operational issues. Local elected representatives had extensive engagement with Irish Water during the pre-construction and construction stages of this project and we deserve meaningful in-person engagement on the ongoing operational issues.”*
2. *“To request the Planning Directorate/Traffic & Transportation Section to carry out a Feasibility Study on the possibility of constructing a Pedestrian & Cyclist Bridge between the Community Park in Carrigaline and the Town Centre area. This bridge would significantly improve connectivity to the core of the Town Centre from the Community Park area and also link the Town Centre to the Greenway. This bridge would also allow for the removal of the Controlled Crossing on Bothar Guidel and make it much safer for pedestrians and cyclists to cross this exceptionally busy traffic corridor.”*
3. *“To request traffic calming measures on Carrigmahon Hill in the vicinity of Urban Villas.”*

Cllr. Michael Paul Murtagh

1. *“That the MD facilitates Carrigaline Elected Members visiting schools as part of a campaign to encourage walking and cycling to school safely.”*
2. *“It has been reported recently that funding for greenways made available in 2021 has gone unspent. There are also substantial monies available this year for greenways. That the MD seeks to apply for available funding from the Department of the Environment and Department of Rural Development to create a walkway below the Point Road between the Point Garden and Thunder Rock.”*

Cllr. Audrey Buckley

1. *“That the MD receives confirmation on the means by which potential local businesses can acquire portions of the land at Carrigaline Business Park for their business”*
2. *“Do we know when the solar lights will be implemented from Rabbit Island further along the Crosshaven Railway walk?”*
3. *“Again, can I ask when the Gabion baskets on the point beach be replaced/restored at the Point Beach Crosshaven? We need to protect the homes on the point road from flooding. I would also ask that we look at the Point Road being undermined from large trucks accessing the point road with the many large building projects that is ongoing on the point road and more recently a new planning application gone in.”*
