CLONMORE OVERVIEW

PHASE 1

House Type C 4 Bed Semi Detached

House Type D/D1 4 Bed Semi Detached

House Type E 3 Bed Semi Detached

House Type F/F1 3 Bed Semi Detached

New Development Area
106 Homes

The development in Clonmore is to be delivered in 3 phases to provide a total of 106 homes. The first phase will deliver 38 homes. The development is adjacent to the existing mature development in Clonmore and will have its own identity, theme and centralised open space, to give the homeowner a sense of place within their own community.

Homes in Clonmore are large, beautifully designed and finished to the highest level. Sunlight-filled interiors, well-appointed kitchens and spacious living areas are just a few of the

features that buyers can expect. Built by the O'Flynn Group, each house is designed to offer a spacious well laid out home with a high quality finish. The Development incorporates the latest features and fittings, innovative modern building methods and technology to ensure a highly desirable and attractive home.

Whether you want space for the kids to play or more room to entertain friends, these well designed homes in Clonmore offer all the flexibility you will need.

All homes are energy efficient with an A2 BER rating with the highest standards of insulation and air tightness in all properties.

Comprising a range of high-specification 3 and 4 bedroom spacious homes, this development is remarkable for its high quality finishes and attention to detail, both externally and internally with many attractive features suited to modern living. Each home is packed full of features, such as a top-of-the-range air-to-water heating system, mechanical air ventilation system, fitted kitchen, high-quality sanitary ware, fridge/freezer, oven, hob, extractor fan and eye-catching cobble lock paving on the driveway.
