Cork County Cuts Carbon

1

Plug it out

Save Energy! Plug out devices that aren't being used and tell your family!

2

Step it Up

Walk or cycle instead of taking the car!

3

Watch it grow

Plant a seed or bulb and watch it grow – nature is amazing!

4

Turn it off

Don't leave tap running while you are brushing your teeth, shower for less than 5 mins!

5

Use it again

Stop Plastic! Get a reusable bottle and use it everyday!

6

Wear it out

Don't buy new things for November – re-use and repair!
