Section 6 (Agricultural Application Details) should only be completed for Agricultural Type Development.

Please also note that Section 1 of this form (Confidential Contact Information) will be removed from the form upon receipt & will not be made available for public inspection / viewing.

Privacy & Data Protection:

Personal information is collected by Cork County Council to enable the Planning Authority to process your application for planning permission. Legally the Planning Authority can process this information as it has been obtained with your consent & it is necessary in order to comply with statutory/legal obligations.

The protection of your personal data is a key priority for the Council and your data will be processed in line with the Council's Privacy Policy which is available at <https://www.corkcoco.ie/privacy-statement-cork-county-council> or in hardcopy from any Council office.

Should you have any questions about the Council's Privacy Policy or the information that Cork County Council hold about you, please contact the Council by email to dpo@corkcoco.ie or write to the Data Protection Officer, Cork County Council, County Hall, Carrigrohane Road, Cork, Ireland.

The planning process is an open and public one.

In that context, all planning applications & supporting documentation submitted will be available publicly to view online and at the Planning Authority offices.

The Planning Authority publish weekly lists of planning applications received as well as weekly lists of planning decisions. This information is placed on Cork County Council's website in accordance with the policy of the Planning Authority.

Section 7: Checklist of Other Issues to be addressed.

In the case of certain types of development, the *Objectives* of the County Development Plan require certain matters to be addressed as part of the development consent process. These items are detailed in the Plan and include the items listed below. **Where possible these should be addressed as part of the initial Planning Application, where relevant to the type of development for which permissions is being sought. Failure to submit the information may result in a delay in the processing of an application as it may be necessary to seek additional information.**

Note: this list reflects the specific requirements of the Objectives of the Plan. Depending on the nature and scale of the development being proposed, other aspects of the plan may also require additional matters to be considered, in addition to those in the list below.

See also the ‘*Planning Application Form Guidelines*’ document for more information on any of these issues.
