It was asked that a Cork County Council roads team be congratulated with regard to carrying out of a rescue of a car and occupants which entered the water in Ballinadee recently. The three employees in question were Matthew Galvin, District Supervisor, Michael Maguire and Paddy Keohane.

2. Reports & Recommendations.

(a) Engineers Report

Bandon

Drainage/Potholes

Due to the large volume of rainfall followed by hard frost three crews were tasked with only keeping water off the roads. One crew were in Newcestown, one in Lisnacunna and one in Seven Heads. Pothole repair was ongoing and areas were prioritised based on road classification and need. After Christmas, crews are out at 6.00 a.m. in addition to their normal days work.

Significant drainage works have been carried out on Presentation College road (Bunscoil no Tobairte) and the road running south from Bandon Grammar and also on the Lisnacumma road from Pedlars Cross to Ahiohill.

Footpaths

The Belgooly Section 38 process has been completed. SEE would like to thank members for their support to date. 15 submissions were received and comments taken on board. Anyone who submitted correspondence has been contacted. Works are expected to commence within the next few weeks.

On O'Mahony Avenue an elevated footpath is being improved outside the 2 cottages. The owner of the cottages have given CCC land at the junction which will allow for a footpath from the junction back up to Doherty Road.

The contractor Pat O'Driscoll Plant Hire Ltd., has commence construction on kerbs, paving and footpaths on the southern side of the street in Ballymoden under Bandon TPREP.

The contract has commenced on North Main Street with a significant length of the path already havng been constructed on the northern path.

The Section 38 as discussed at the December meeting for the re-siting of 2 bus stops is currently underway and is published and as part of request by members to include an additional control crossing at this point has been included.

Works in Innishannon are progressing, and Innishannon Hill will be closed for up to 2 weeks from the 16th February onward to allow for paving.

Works have started on the link footpath from the Centra Service Station at Innishannon to the Spires Estate. I would especially like to thank Joe Walsh of the Innishannon Traffic Action Group as he has assisted greatly by keeping the locals aware of what is happening. This proved to be very beneficial from a resource viewpoint. Barry O'Sullivan, Centra was also thanked for the donation of land free of charge to allow for these works.

- 1) **Bandon Small Craft Way-** The Bandon River Estuary is a very scenic route for small craft and marine tourism. It has long been the stance that more could be done to promote the route for leisure and tourism but one of the stumbling blocks is the difficulty for vessels to safely navigate up through the shallow banks and mud flats. The Project is for the development of the Bandon River upstream from Kinsale Harbour as an amenity for small craft. The Navigation buoys consisting of 15 No Lateral Marks were installed and considered a great success by local users safely marking the channel upriver and allowing vessels to safely navigate the river allowing them access to Places such as Ballinadee and Killmaccsimon where a small seasonal landing pontoon allows vessels to make short visits or allows canoe/kayakers to stage a jaunt down or up river. The Seasonal Landing Pontoon is on its winter mooring ready for install in the spring of 2023. All associated materials for the attachment of the pontoon to the quayside are all available and awaiting install early 2023. The above project received funding under the ORIS scheme.

2) **Municipal District Community Fund 2023**

The aforementioned scheme was opened on Wednesday Jan 11th and will close on Tuesday 14th February at 4pm. Applications to be made online at www.corkcoco.ie or www.yourcouncil.ie. There are three strands under the Fund:

- a. Capital Fund Scheme - for community groups, sporting and local organisations in County Cork who wish to undertake infrastructural projects costing over €20,000 that will improve the range or quality of community-based facilities within their area e.g. community halls, sporting facilities, etc
- b. Community Contract - for Tidy Towns groups who work with Cork County Council on local works and projects, agreed with the Municipal District Officer and local Area Engineer that enhance the area in which the group is active. For the Community Contract it is strongly recommended that you contact your Area Engineer and Municipal District Officer to discuss your proposals before you apply.
- c. Amenity Fund Scheme - for community groups, sporting and local organisations in County Cork who wish to undertake projects or purchase equipment that directly benefits communities and meets particular needs. Projects being applied for under this scheme must cost less than €20,000

3) **Village Enhancement Scheme**

Schedule for the 2020-24 Village Renewal programme:

The following is the order of the villages agreed by the members at the MD meeting in June 2020.

Belgooly (2021), Innishannon (2022), Timoleague (2023) and Newcestown (2024).

4) **Twinning**

An official invite for a delegation is normally sent to the City of Newport, Rhode Island, USA at this time of year. Are members happy for this invite to issue? Members agreed to proceed to issue invitation and that it was vital to maintain links with Newport.

3. STATUTORY BUSINESS.

Notice of Motion

Cllr O'Sullivan

1(a) that the Bandon /Kinsale Municipal district will write to TII to seek the provision of funding to improve the section of the N22 from Bandon Town to Pedlars Cross especially, initially, the section from Bandon town to Gaggin because of the unsatisfactory surface of the road.

Proposed by Cllr. John O'Sullivan, seconded by Cllr. Kevin Murphy. Members agreed that this road would require a significant upgrade and that funding should be sought. SEE informed members that public lighting by Rugby Club were ordered.

(b) That the Bandon /Kinsale Municipal District and the Bandon Area Office, in light of increased business activity and traffic volumes, would carry out a survey on parking in Courtmacsherry Village with a view to increasing parking provision for the village as a matter of urgency.

Proposed by Cllr. John O'Sullivan, seconded by Cllr. Sean O'Donovan. It was agreed that an assessment be carried out in conjunction with residents and stakeholders along with the community. Regarding bottleneck area in centre of village, SEE informed members that it was proposed to paint double yellow lines at this location.
