FOGRAÍRÚN**

11. CLLR. JOHN PAUL O'SHEA

"That Cork County Council work with Cork ETB in conjunction with UCC & MTU in the role out of Lifelong Learning initiatives in the County. A number of initiatives have already been rolled out by Cork ETB in the Cork City area in conjunction with Cork City Council".

[17/05/2023]

12. CLLR. DANIELLE TWOMEY

"That County Councillors support the Retained Fire and Rescue Service personnel and their continued struggle for improvements in pay, conditions and a decent work/life balance with agreed time off and call on the Minister for Local Government and the Minister for Public Expenditure to provide the funding necessary to sustain and enhance the service now and for future generations".

[29/05/2023]

13. CLLR. IAN DOYLE

"That Cork County Council would write to Minister Daragh O'Brien, Minister for Public Expenditure and Minister for Finance to look at the pay and conditions for retained fire fighters in Cork County and Nationally".

[29/05/2023]

14. CLLR. SEAN O'DONOVAN

"I call on Cork County Council to allow vacant shop/business premises windows to be dressed with display products from other shops in the town, while not be liable for rates. At present if a vacant shop window is dressed with products it is liable for rates. To help regenerate and improve how a town centre looks these empty windows make a town look derelict and empty and by having dressed windows instead of vacant empty windows it would make the town more attractive to new business setting up and the public in general".

[31/05/2023]

15. CLLR. SEAMUS MCGRATH

"Domestic Waste Collection Permits specify that bin truck collection activity should not commence prior to 6am. I would ask that the Environment Section clarify/report how this specification is enforced. I have received several complaints of bin trucks in residential areas prior to 6am".
