

Dear Resident / Business,

The IRONMAN Group in partnership with Cork County Council are again bringing IRONMAN Ireland and IRONMAN 70.3 IRELAND to Youghal and the surrounding areas of East Cork on the 19th and 20th August 2023. The weekend will see over 2,500 athletes take on the Full distance of 3.8km swim, a 180km cycle, followed by a 42.2km marathon distance run on Sunday 20th August, with the IRONMAN 70.3 on Saturday 19th where they will take on a 1900m swim, 90km cycle and a 21.1km run.

The event will have implications on traffic and access which are detailed in this letter and overleaf on the route and access overview. The cycle and run routes will be operated on a rolling road closure basis with full road closures in place (by order). Applications have been submitted to the roadworks unit in Cork County Council according to the guidelines set down for the road closure and times highlighted below and overleaf.

This map along with the full road closure notice and diversion routes can be viewed online at <https://www.ironman.com/im-ireland-travel>

The event organisers are working in partnership with An Garda Síochána and Cork County Council to ensure that disruption to residents and businesses along the route is kept to a minimum where possible during the event, but with an event of this size there will be delays on the route and surrounding areas. We would strongly advise to avoid travel near the course route where road closures will be in place on Saturday 19th August and Sunday 20th August 2023.

As per legislative guidelines, the specific road closures for both event days will be advertised through Cork County Council and in local newspapers.

If you would like to contact us with regards to the notice, please email cork@ironmanroadaccess.com or call 089 4604823 to speak to the local call handler.
