 - 3. To consider the following Notice of Motion in the name of Cllr. Cathal Rasmussen:**

That the Fota road be included for regular road sweeping as the truck has to travel in and out the road as he comes to the town to commence road sweeping.
 - 4. To consider the following Notice of Motion in the name of Cllr. Cathal Rasmussen:**

That this municipal would consider removing steps and closing access in Flower Hill adjacent to No. 3 in response to the continuous anti-social behaviour and all that comes with it following a request from local

residents. This follows on from a similar closure a number of years ago in the same area.

5. To consider the following Notice of Motion in the name of Cllr. Anthony Barry:

Could this Municipal District investigate the effects of water runoff from the solar farm north of Carrigtwohill as a matter of urgency. The increase in water entering the Woodstock and Water Rock streams from this site needs to be investigated.

6. To consider the following Notice of Motion in the name of Cllr. Anthony Barry:

That this Council write to Minister Eamonn Ryan and the other Cork based Ministers outlining our concerns regarding the serious issues around the provision of onshore facilities to progress offshore wind energy. Unless this issue is immediately dealt with the potential impact for the harbour area would be extremely serious.

7. To consider the following Notice of Motion in the name of Cllr. Anthony Barry:

That the road from Glanmire to Knockraha be relined as it badly needs to be done due to the number of residential properties there and the speed of motorists using it.
